# 5th Annual Wiffleball World Series

The rink that Dad constructed in the backyard every winter was not enough—Jake needed something to keep him occupied in the summer too. The simple request of a then 6 year old, and has evolved into a fun-filled competition for people of all ages.

Wiffle Ball Park, as it has been named, was not much more than a typical backyard playing field for the kids—little and big. It didn't take long before a league was under way, and the field was being used on a regular basis—by the “bigger kids,” of course.

The league was serious, but still fun—guys of all ages setting a schedule, playing games, and keeping stats. It didn't take long before the idea to take the league to the next level was hatched—Wiffle Ball World Series. Scott Nichols was one of the primary figures in making WBWS come to be. His idea was have one weekend where everyone gets their best team together and competes hard . Scott had a zest for life, and when he was not with his family or teaching, he could definitely be found involved in an athletic activity of some sort. Scotty was taken too young , and is missed by all who knew him. His number (23) can still be found around WBP, and his spirit will always be with us.

This is the 5<sup>th</sup> annual WBWS, and with every passing year, the field has shown growth. The field itself measures 74 feet down 3<sup>rd</sup> base line, 71 feet down 1<sup>st</sup> base line (which was expanded 8 feet this year), and 81 feet down dead center. Each year, the field gets a bit of an improvement. Smaller additions from the old-school scoreboard and facelifts like the dugout base paths, to more complex embellishments such as the park lighting, the outfield deck, and the pressbox. Not only has the field grown, but the tournament has as well. Our neighbors, Scott and Melissa Edie, have graciously allowed us to build a second field in their yard since the 2<sup>nd</sup> year to accommodate all games. (THANK YOU!!) This year is the biggest WBWS yet with 34 teams. We are expecting a great turnout and an even greater time!

# **2016 Wiffleball World Series Rules**

Changes that have been made since last year are highlighted.

## **Section 1: Divisions/Teams/ Players**

### **Minors Division (12 and under)**

Players- 3 or 4 players per team  
3 or 4 players will play the field  
3 or 4 players will bat  
An adult will pitch  
(see Section 1F for more details)

### **Majors Division (16 and under)**

Players- 3 players per team  
3 players will play the field (1 pitcher/ 2 fielders)  
Pitching Rotation- (every Inning) (example: player A pitches innings 1 and 4, player B pitches innings 2 and 5, player C pitches innings 3 and 6)

### **Championship Division (open)**

Players- 3 per team  
3 players will play the field (1 Pitcher/ 2 fielders)  
Pitching Rotation- (every inning) (example: player A pitches innings 1 and 4, player B pitches innings 2 and 5, player C pitches innings 3 and 6)

**Players can only play in ONE division.** (The only exception to this rule is if a player is playing on an All-Star team— selected by the WBWS committee— in a higher division.)

**Limited Number of Teams:** Due to time constraints with scheduling, there will be a limited number of teams in each division. Twelve (12) teams for each division is the maximum. Once the division has reached its limit, registration for that division will be closed.

**Ages:** Ages are used as a guideline-teams can also be flighted up or down a division based on level of ability, which will be determined by the WBWS committee.

**Adding a 4<sup>th</sup> player to a MINOR team:** MINOR division teams

(only) can add a 4<sup>th</sup> player to their team. (This is an attempt not break up families/siblings of young children that would like to play together, as well as to give the MINORS teams their opportunities for subs.) Some conditions that must be met in order to sign up a 4<sup>th</sup> player on a MINOR team:

All four (4) players must be on the initial registration form. (A 4<sup>th</sup> player cannot be added after the team has registered.)

All four (4) players must play in at least one Round-Robin (qualifying) game in order to play in the playoffs (semi-finals and final game). *If a player does not play in a Round-Robin (qualifying) game Friday or Saturday they are not eligible to play in the playoff games.*

**Subs:** In the event a sub is needed, the MAJORS and CHAMPIONSHIP division teams will each be provided with an official “sub list”. Upon choosing a sub, the opposing team must agree to the sub chosen. MINORS teams will not be allowed subs due to the fact that they are allowed to choose a fourth player to serve as a sub. (See Section 1—Rule G.)

## **Section 2: Equipment and Field Regulations**

**The Ball:** Only official wiffleballs which are provided are allowed.

**The Bat:** Only yellow regulated wiffleball bats which are provided are allowed. They can't be weighted or modified. Teams/players cannot bring their own bats.

**Bases:** No Base running. The bases and base paths will be used to determine hits.

**Strike Zone:** There will be a strike zone placed behind home plate. The ball must hit the netting or orange to be a strike.

**Umpires:** There will be a designated umpire for each game. The umpire has final say on all calls. Remember this a game and supposed to be fun. No arguing with umpires will be tolerated.

**Uniforms: *Matching Uniforms are required with #'s on the back. A professional baseball team name must be used (can be a minor league team). See Section 6C for more information.***

### **Section 3: The Game**

**Length:** The game will be five (5) innings in length. If the score is tied at the end of five (5) innings, two (2) extra innings will be played for a max of seven (7) innings to determine a winner. For Round-Robin play only, if the game is still tied after seven (7) innings the game will count as a tie. Play-offs will be played until a winner emerges. Three (3) innings of play determines a winner.

**Time Limit:** minimum 45 minutes. Games are scheduled 45 minutes apart a final time limit will be determined prior to the start of the tourney depending on entries. But it will be at least 45 minutes.

**Mercy Rule:** If a team is up seven (7) or more runs following the 3<sup>rd</sup> inning, the game is over.

**Mercy Inning:** Only nine (9) runs are allowed to be scored per inning. If a team hits a home run before reaching the nine (9) runs, all runs count. For Example: With the bases loaded and eight (8) runs already scored, if a team hits a grand slam, all runs score. This would result in 12 runs scored. If a team is trailing they will be allowed to score until they have a nine (9) run lead and then the mercy inning will come into play.

### **Section 4: Offense/Batting**

**Hitting:** There is no base running. Ghost runners must be pushed. For example: if player A hits a double that player is on 2<sup>nd</sup> base. If player B hits a single Player A advances to 3<sup>rd</sup> base and runners are at 1<sup>st</sup> and 3<sup>rd</sup>. If player B is walked runners would be at 1<sup>st</sup> and 2<sup>nd</sup>.

**Walk –** Four (4) balls equal a *walk*. If a batter is hit by a pitch it's just a ball. (The MINORS Division has no walks.)

**Single** - A single is

any ball hit past the back corners of 1<sup>st</sup> and 3<sup>rd</sup> base,

past the dirt base paths on Wiffle Ball Park Field that isn't fielded cleanly, or

comes to a stop or a clean play isn't made to the pitcher.

(The player must field the ball cleanly and throw in clean motion to the pitcher. The pitcher must have one foot on the rubber. **The umpire will have final say on the call.** (In the MINORS Division if the pitcher doesn't make the catch but it was a good throw the batter will be out.))

Any ball not hit past the baselines that the pitcher tries to field and bobbles in any way during the play.

If the pitcher is outside the baselines and field the ball, he must make a throw to someone covering the mound. If not the play will result in a **single**.

**Blooper ball**-any ball that is blooper into the outfield that is allowed to hit the ground and not caught will result in a **single**.

If a hard ground ball is hit and the pitcher touches the ball but the ball is field by another fielder the play will still result in a **single**.

Any ball that hits in front of the plate is a fair ball, if the ball hits the plate or behind the plate first it will be a foul ball. **The umpire will have final say.**

**Double**- any ball hit to the wall or bounces over the wall that is not touched by a fielder.

**Triple**- Any ball that hits the wall in the air even if it's touched by a fielder. **Tree Rule** (explained below)

**Homerun**- any ball landing over the fence. A player cannot hop over the wall or stand on the wall to make a catch.

**Foul Strike Out:** This rule only applies when there are two strikes on the batter. If the batter foul tips the ball, and the ball hits the netting of the strike zone, the batter is out. It must hit the netting.

**The Count:** 4 balls equal a walk. 3 strikes equal a strike out.

**Big Elbows:** No part of your body, including your arms, may extend over or in front of the strike zone. A warning will be issued to the team by the ump. The next time it happens it will be called a strike.

**Tree Rule-** If a ball is hit over the fence and hits a tree and comes back into play the ball will be considered live. If it's caught it will be an out, if it hits the ground it will be a triple. This only applies to the trees and no other structures or spectators.

## **Section 5: Defense/Pitching**

### **Fielders**

**Minors Division:** Three (3) or four (4) fielders (depending on how many the team has registered). An adult will pitch.

**Majors Division:** Three (3) fielders (1 pitcher/ 2 fielders)

**Championship Division:** Three (3) fielders (1 pitcher/ 2 fielders)

**Fielding:** A hit ball must be fielded cleanly and a throw in a clean motion without hesitation to the pitcher for an out to be made. Any delay or hesitation will result in a hit.

**The Umpire will have the final say. (see hitting section)**

**Pitching Bucket:** The pitcher can place the ball bucket within 5 feet of the mound inside the infield. If the ball hits the bucket it will be considered a ground out.

**Pitching Rotation:** The pitcher that starts an inning must finish the inning.

**Minors Division-** Adult will pitch

**Majors Division-** Same rules as CHAMPIONSHIP (see D3 below)

**Championship Division-** rotate every inning. (example: the pitcher that pitches the 1<sup>st</sup> inning will pitch the 4<sup>th</sup>, etc.)

***Pitching Rules/Restrictions (for MAJORS and CHAMPIONSHIP teams):***

There are no speed restrictions for pitching.  
The only style restriction for pitching is that windmills are not allowed.

**Walk-** Four (4) balls. A hitter hit by a pitch will count as a ball. ( No *walks* in the MINORS Division.)

**Strikeout-** Three (3) Strikes. Unlimited foul balls. Third (3<sup>rd</sup>) strike foul that hits the netting of the strike zone will count as a strike out.

**Three (3) Outs per Inning**

**Double Play Rule:** A double play can be attempted with any runners in a force-out position. The fielder must field the ball cleanly and make a throw to the pitcher, the pitcher must catch the ball on the rubber and make a throw to the strike zone. If the pitcher hits the strike zone a double play will be awarded. There can be no hesitation from the pitcher on the turn. ***The Umpire will determine the cleanliness of the play.***

\*\*If the batter is in the batter's box or blocks the strike zone in any way and is hit by the pitchers attempt a double play will be awarded.

## **Section 6: Misc.**

**Game Time:** The scheduled game times will be used as a guideline and are subject to change. Games can start up to 30 minutes prior to scheduled game time.

**Scorekeeping (Score Board):** A schedule will be provided to help with scorekeeping (score board). When your game has finished one person from the HOME team will be responsible for staying behind to help with scoring the next game on the same field unless we have a volunteer.

### **Team Names:**

A professional baseball team (MLB or MiLB) name must be used.

If two or more teams in the same division choose the same team name, preference is based **first** on *PRIORITY FOR RETURNING TEAM*, **then** on *ORDER REQUESTED*.

**PRIORITY FOR RETURNING TEAM:** The team that used a team name the prior year (2015) is granted priority if they would like to use it again in 2016.

**Order Requested:** If neither team has priority based on use the prior year, the team that first requested the name will be granted the team name.

**LIABILITY RELEASE FORMS:** All players must sign a liability release form before playing. (Those under 18 must have a parent's signature.) Players who do not have a signed release form will not be allowed to play.
